# TAKE INFORMED CHOICES...

Because our Editors go to great lengths for the books

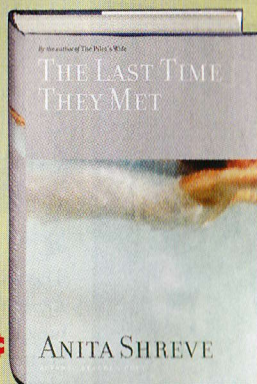

Outrageous, sensual novel of an 18th-century prostitute is a richly detailed portrait of the squalor and cheap luxury of Hogarth's England.  
11-9741  
Pub. price \$24 **20¢**

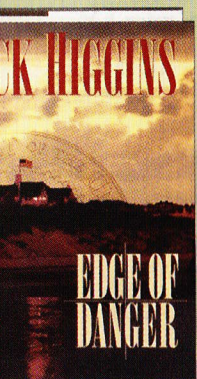

**VICTORIA SKURNICK**  
Acquisitions Director

When anyone asks me what mystery writer to read, my answer is always the same: Minette Walters. This story of one woman's obsession with an old murder has the same psychological fascination and writing genius all her books have. If you love Ruth Rendell or P. D. James, it's time to read her. **RIGHT NOW.**

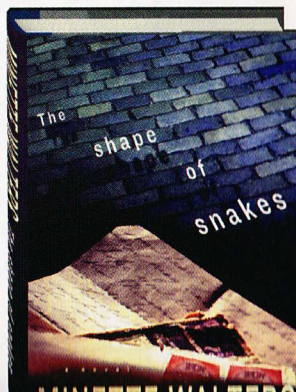

author of *The Wife* explores angering power nces not taken o people whose n for each survives every nge, even  
457  
price \$24.95

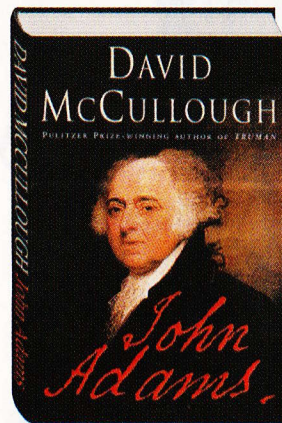

**20¢** ANITA SHREVE

In Higgins's latest action extravaganza, one of the world's wealthiest royal families plots to assassinate the U.S. president.  
41-7278  
Pub. price \$25.95 **20¢**

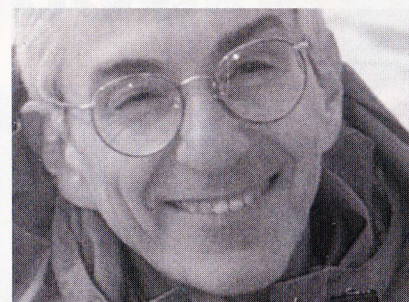

moody, elegant ller about an erican war corre- dent who returns

Adams was as indispensable to the new nation as Washington and Jefferson, and he seems the most approachable—even the most likable—of them all.  
41-8340 Pub. price \$35 **20¢**

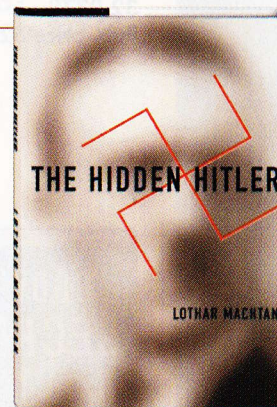

**JOHN MAJOR**  
Senior Editor

Is there anything new to say about Adolf Hitler? Yes, says Lothar Machtan, whose book *The Hidden Hitler* shows us a Führer in deep denial of his own sexuality, and willing to murder or terrorize anyone with knowledge of his sexual past. Hitler's strangely tormented personality will make more sense once you've read this explosive, controversial book.

**LARRY SHAPIRO**  
Editorial Director

Nine years is a long time to wait for a new book by one of my favorite writers, but not too long to wait for a masterpiece like *John Adams*. McCullough does full justice to three of the most interesting people ever born on this continent, John and Abigail Adams and Thomas Jefferson. And the writing is so eloquent that reading the book is like spending time in the 18th century.

Hitler's strangely tormented personality will make more sense once you've read this explosive, controversial book.

## Love books?

Meet our editors, feisty defenders of great reading! They'll stop at literally nothing—NOTHING!—to ensure that you get to choose from only the books worth arguing about. That's Book-of-the-Month Club, and you're invited to share in the spoils. . . become a new member today, and find out what you've been missing!
