## Callous Clear gives you fresh-from-the-spa feet—any day, every day!

There's nothing like how your feet feel after a trip to the spa ... oh-so-smooth, and oh-so-soft. Now you can get that very same feeling, in your own home, without the mess and the expense—thanks to the brand-new Callous™ Clear, from the makers of the worldwide sensation PedEgg®.

**Specially formulated** with a super-soothing softener and creamy, skin-enhancing moisturizer, Callous Clear turns cactus-rough heels and feet baby-soft in mere minutes! Simply apply the softening gel to the callous-removal patch, place the self-adhesive patch on the calloused area and then relax as it does its magic.

**Callous Clear penetrates even the hardest areas**, making tough callouses peel away easily. Use the file for a smooth finish, rub in some rich, creamy Callous Clear heel balm and—voila! Spa-beautiful feet no one could ever guess you did yourself!

Today we'll send you the entire Callous Clear kit for just \$10, plus \$6.99 processing and handling. Want a second kit? It's yours for just an additional \$6.99. Call today to find out how to get free shipping on your order PLUS a \$15 "As Seen on TV" gift card.
