

If you thought Harry Potter was the best thing to come along in ages, get ready for it to get even better . . .

ENJOY HARRY POTTER
AND THE SORCERER'S STONE
FREE for 15 days!

Dear Parent,

The mere mention of Harry Potter's name is enough to send children today into a magical world that didn't quite exist when we were their age . . .

Lovable giants with a heart of gold

Mystical owls who deliver your mail

Talking hats that decide your future

Flying broomsticks to play Quidditch

How can you top that?

Good news! It's easy -- with the Listening Library's **Grammy-nominated audiobook of Harry Potter and the Sorcerer's Stone. Unabridged** (so you don't miss a delicious word), read by renowned stage actor **Jim Dale**, and ready to be enjoyed in your own home!

Fill your home with the best kid's stories around!

Whether it's the living room . . . your child's bedroom . . . the kitchen while you're preparing a meal . . . or the car as you take your children to school or to playdates . . . the exciting audiobook of Harry Potter and the Sorcerer's Stone will work its magic on every member of your family!

Even when you don't have time to read to your children, they can listen to one of their favorite stories over and over. Enjoying a book -- no matter in what form -- is always **time well spent!**

Did you know that children are able to listen **two full grades** above their current reading level? So listening to an audiobook will
